The family of the late

Samuel E. Cooper

acknowledges

with grateful appreciation

your kind expression

of sympathy

over

for me to sit down and write to our many, many friends and organizations before this.

I believe that Samuel Cooper left a great heritage -- a heritage that will always be a source of inspiration to me

Dear Mr. Wanters,

Will you please extend my belated, however most sincere thanks to the Executive Board & members of the Clinton Hill Neighborhood Council for their telegram of Sympathy.

The shock of losing my dearly beloved husband was so great that it was impossible

and to all those
people who were fortunate
to have crossed his
path.

I hope to follow in
his footsteps and make
the people of our City
proud of me and proud
of my work on the City
Council.

With every wish for
good health to all I am
most sincerely, Sophie L. Cooper
